25X1

1. On 9 May 1951, only a rear detail was quartered in the Artillerie Kaserne on Freienwalder Strasse, Oberswalde (N 53/V 08). From 1 to 6 windows of each barracks building were lighted at dusk.

2. The Schuetzen Kaserne on Bernauer Heerstrasse was still occupied to capacity on 8 May. No troops were observed arriving at, or departing from, the installation. From 60 to 80 percent of the windows on the street front were lighted in the evening. [REDACTED]

3. On 10 May, no changes in the occupation of the Ardelt Plant were observed. However, a German employed there said that some of the officers, including generals, followed their units to Templin (N 54/U 31). [REDACTED]

* [REDACTED] Comment. The information confirms the Schuetzen Kaserne as quartering headquarters units of the Fourth Gds Mecz Army. The Artillerie Kaserne still quarters only rear units of the components of the 6th Gds Mecz Div which are at Templin. [REDACTED] Reference paragraph 3, it is believed that elements of the Hq Fourth Gds Mecz Army in the Ardelt Plant have also moved to Templin.
